

Help with Transparent Language Online

With over 110 languages to choose from, including English for speakers of over 30 languages, there is something for every learner. Best of all, with mobile apps for iOS and Android devices, learners can enjoy the freedom to learn at home, in the library, or on the go.

Please note: Transparent Language Online is compatible with Google Chrome browser only.

How to use Transparent Language Online

Go to [eInformation: Online Reference Library](#) and click **A-Z of electronic resources**.

The screenshot shows the website for West Sussex County Council's eInformation: Online Reference Library. At the top left is the council's logo. A search bar is located at the top center, and a 'My account' link and a 'Menu' icon are on the top right. Below the navigation bar, the breadcrumb trail reads: Home > Libraries > eLibrary (electronic library) > eInformation: Online Reference Library. The main heading is 'eInformation: Online Reference Library' with a subtext: 'Search our online reference library to find free, quality information sources.' Below this is a grid of eight resource categories:

- A-Z of electronic resources**: Browse through all the eInformation reference resources.
- Research and reference**: View research and reference resources and websites.
- Family history**: View family history resources and websites.
- Jobs and careers - Library employment resources**: View job and career resources provided by our libraries.
- Local history and heritage**: View local history and heritage resources and websites.
- Books and reading**: View books and reading resources and websites.
- Learning and education**: View learning and education resources and websites.
- Lifestyle and leisure**: View lifestyle and leisure resources and websites.

Then scroll down to **Transparent Language Online**.

T

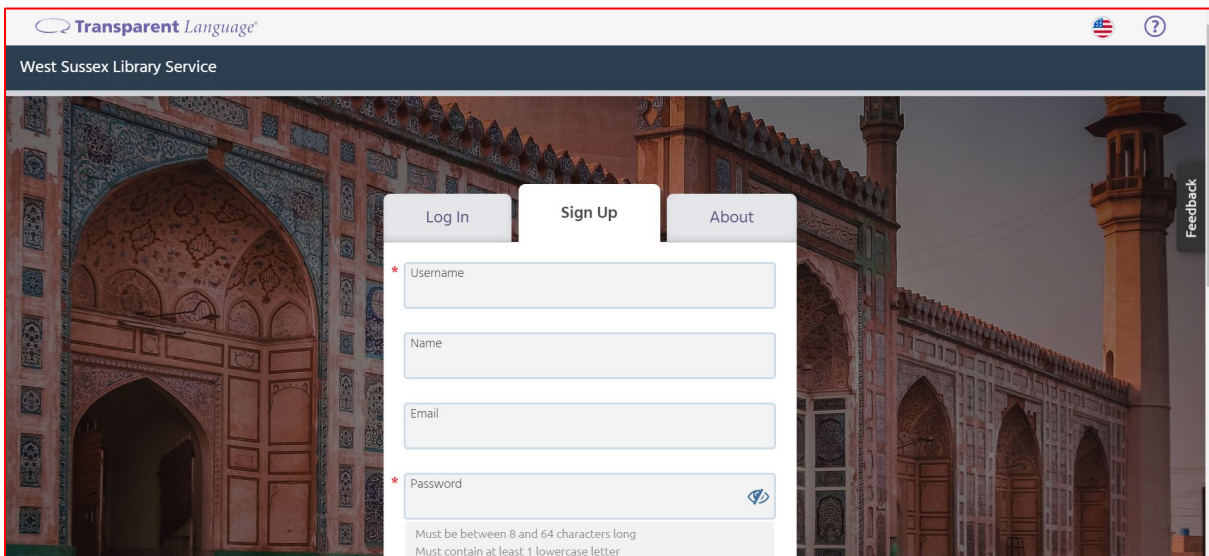

*[Theory Test Pro](#) - A realistic online simulation of the UK's driving theory test. It contains the entire official test questions licensed from the Driving Standards Agency. You will need to sign up for an individual account to access this resource.

*[Times Digital Archive](#) - Contains every issue of The Times published between 1785-2014.

*[Transparent language online](#) - Provides a fun, effective and engaging experience for learners of all levels looking to build their listening, speaking, reading and writing skills in a foreign language. With over 110 languages to choose from, including English for speakers of over 30 languages, there is something for every learner. Best of all, with mobile apps for iOS and Android devices, learners can enjoy the freedom to learn at home, in the library, or on the go.

U

To start learning you will need to set up an account. When you have filled in your details and agreed to the terms and conditions, you'll be able to log in anywhere with your email address and password.

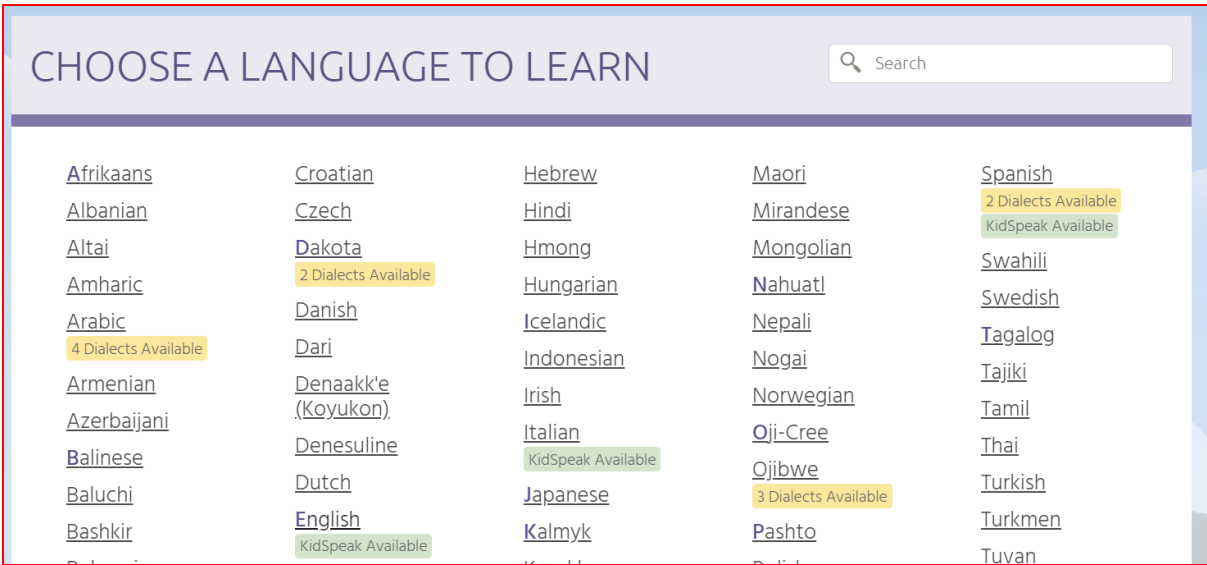

The screenshot shows the Transparent Language website interface. At the top, there is a navigation bar with the logo "Transparent Language" and a "West Sussex Library Service" header. Below the header, there is a large background image of a mosque. Overlaid on this image is a white sign-up form with three tabs: "Log In", "Sign Up", and "About". The "Sign Up" tab is active. The form contains the following fields:

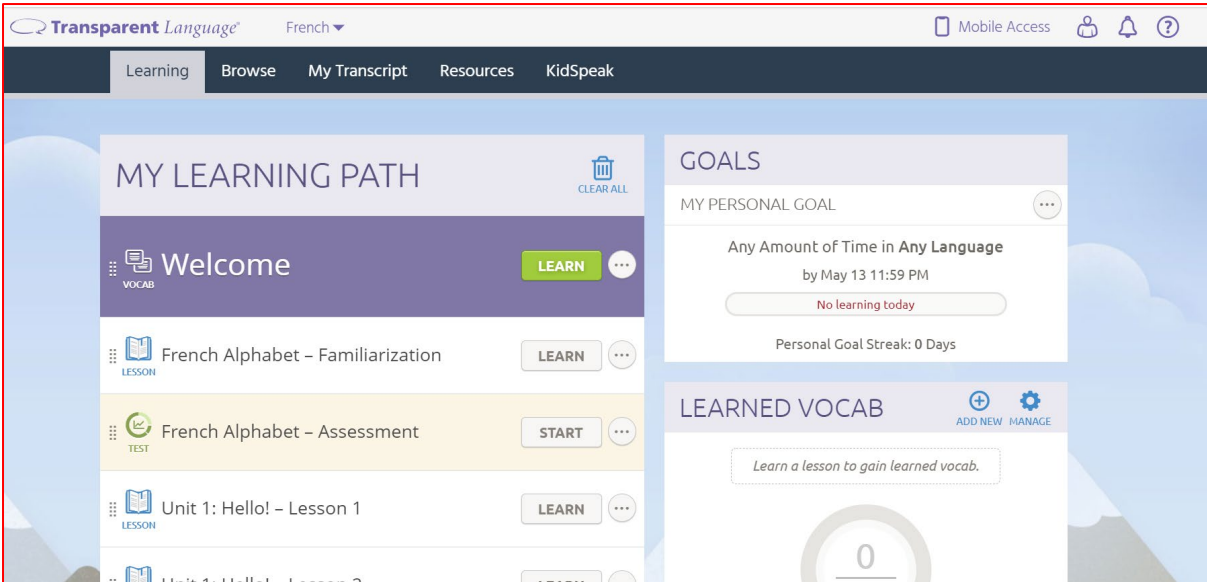

- Username (marked with a red asterisk)
- Name
- Email
- Password (marked with a red asterisk)

Below the password field, there are two lines of text: "Must be between 8 and 64 characters long" and "Must contain at least 1 lowercase letter". To the right of the password field is a small icon of a person. On the far right edge of the form, there is a vertical "Feedback" button.

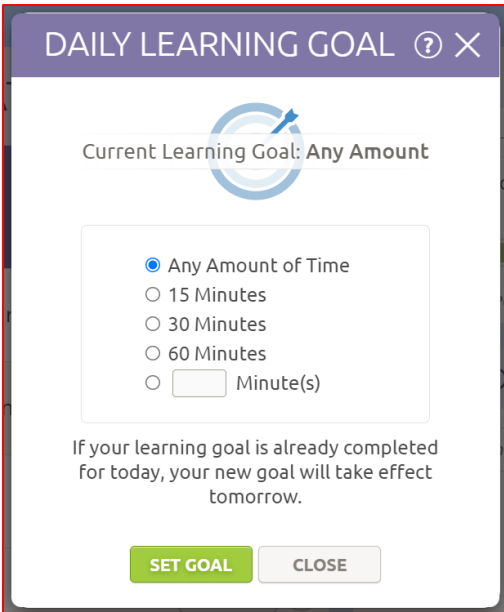

Choose the language you want to learn from the list available.

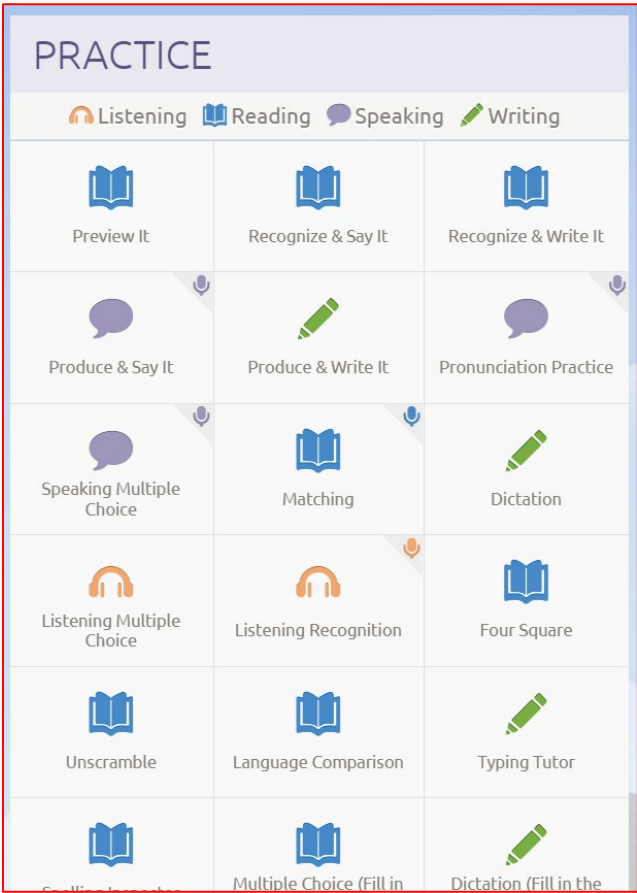

Once you have chosen your language, you can access the various parts of Transparent Language Online via the Learning Screen. Start by trying the Welcome lesson – a short introduction with only a few words and phrases, designed to introduce you to some of the most common activities and get you used to the process of learning with Transparent Language Online.

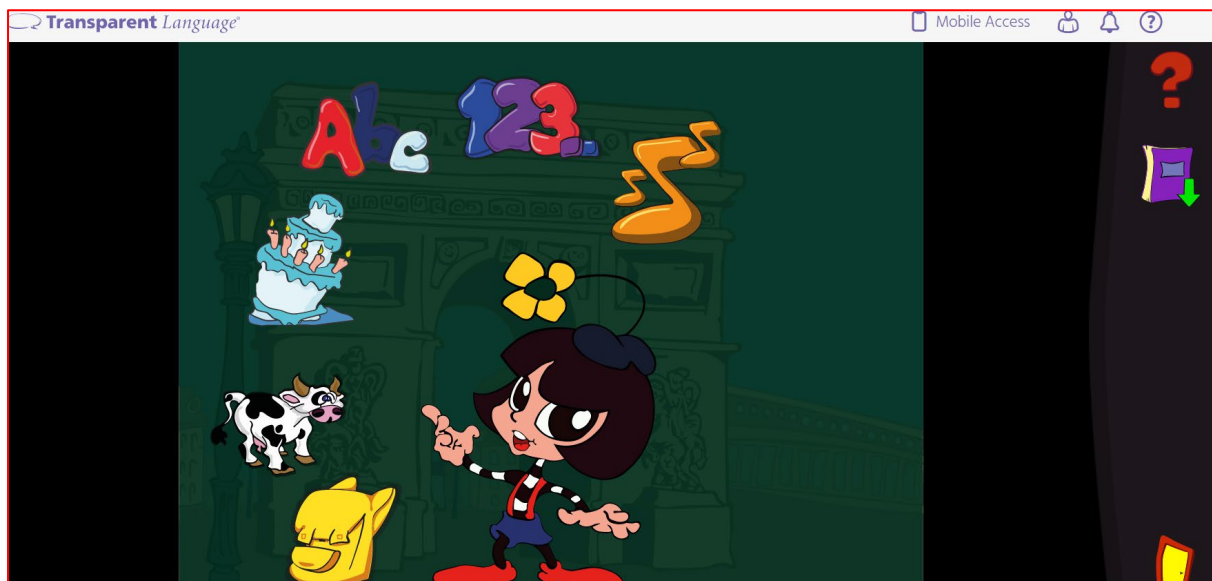

You can set your own daily learning goal.

The Practice panel gives you different activities to practice your listening, reading, speaking, and writing skills.

Some languages will have a Kidspeak option on the Learning Screen. KidSpeak is a fun, animated application designed to teach languages to children.
